Junior is taking the lead the O Kalani 4th of July parade entry this year.

It is always good to get on the NCOCA race director's good side (that would be Junior) so help him create the float and accompany it on the 4th. Sign up on [TeamSnap](#) and represent!

Thank you Junior!

You may have noticed that coaches and Okalani leadership is embracing WhatsApp to communicate important day-to-day information to membership. We've rolled the women's and men's group chat threads under the umbrella of an O Kalani Outrigger Team announcements-only thread.

If you are not on WhatsApp, you are missing important information; please let Justin Martinez (secretary@okalanioutrigger.org) know and you can be added! We are also starting to create individual group chats for specific races to disseminate information to those racing only.

Make sure you are on O Kalani WhatsApp!

You might be wondering...WHAT ARE THESE?
Are they snowmobiles? Can I use them?

These are Ergs fitted with a Paddle attachment. And yes you can use them along with all of

the other fitness equipment housed in the second container. (The combo is the same as all of the others). There are hand weights, barbell weights, bands and more. Take advantage! Free gym equipment for members only! Please handle all equipment with care; it was purchased and/or donated by members.

Lost and Found: On July 1, The lost and found bin will be cleared out. The bin is clearly marked and usually lives on the table right next to the container. It'll move inside the container when it rains. Thanks for keeping the site clutter-free.

Parking Reminder: Do not park in front of the Kayak Gates
The Kayak group will call and have your car towed.
